

Hörsaal O

KRAFTWERK / Linzer Bier Brewery

**TABAK
FABRIK**

In the middle of the KRAFTWERK ("power plant"), the heart of the former cigarette factory and current Linzer Bier brewery, Hörsaal O is an exclusive event space that combines tradition, industry, and culture in a unique way, and offers an extravagant setting for a wide range of events. The approximately 230 m² event space offers a unique view of the storage and fermentation cellar, where Linzer beer matures in tanks.
